The Gatehouse

## The Gatehouse

The Gatehouse stands close to the lake. It has three double bedrooms (two en-suite), a twin bedroom, and a large family bathroom. The kitchen is all electric with microwave, washing machine, dishwasher and fridge/freezer. The salon has separate sitting and dining areas, and glazed doors leading out to the lawn and terrace. Satellite UK TV, DVD/video and a CD stereo system is provided.

A 6.4m diameter solar heated octagonal swimming pool is alongside the terrace for your private enjoyment.

## La Petite Maison

La Petite Maison looks out over the solar-heated 8m diameter swimming pool set in a lawn with trees that are centuries old. It has polished wood floorboards upstairs, and paneling and some beautiful mosaic floors downstairs.

It has three double bedrooms and a twin bedroom, each with antique wash basin and bidet. There are two bathrooms, one with a large bath. The fully fitted kitchen with microwave, washing machine, dishwasher and fridge freezer adjoins a separate dining room. The kitchen has French windows leading out to the lawn, as does the salon with satellite UK TV, DVD/video and CD stereo system.
